

Pearl Coast Gymnastics 2022 Timetable

WAG/MAG/Tumbling (Competition Stream)

The PCGC WAG/MAG/Tumbling programs are competitive streams of gymnastics. WAG & MAG Gymnasts train at least twice per week, Tumbling gymnasts train once per week, and aim to progress through the Australian National Levels Program.

While we like to consider all our gym programs to be fun and enjoyable for participants, the focus of our competition stream classes is achievement.

Gymnasts are placed in a class based on their age and gymnastic ability. Classes are **NOT** named after the level the gymnasts in the class are working towards. While we agree this would be easier, it puts less pressure on gymnasts to compete at a certain level and allows the class to move with the ability of its participants.

Gymnasts will be given the opportunity to compete in at least three competitions per year. Competitions are not compulsory, but they are highly recommended as they give gymnasts something to work towards.

All Pearl Coast Gymnastics WAG/MAG/Tumbling classes are term fee paying classes (not Pay As You Go) and most are full with waiting lists. To register for gymnastics classes please submit a registration form via our "How Do I Start" page on the club website.
