Monthly Billing

To bring our club in line with gymnastics club across WA and Australia, PCGC will be changing to monthly billing ('rolling billing'). This means that fees for classes will be charged to your payment method on file on the 1st of each month, until either you cancel your membership with at least 14 days notice, or the 31st December is reached, at which time your enrollment will automatically be dropped ('cancelled').

The monthly charges will be calculated based on the hours your child's class will train across the whole month. It does not include NGD's in these billing calculations.

It is up to the primary/billing guardian on the account to ensure a valid payment method has been provided on your iClassPro account and that the payment method will have sufficent funds avaliable. For bank account payments, a $5.50 charge occurs for each time a payment fails for bank account payments, and is paid directly onto our payment provider.

For example, if in the month of March, your child's class of Mini Movers, trains for 3 sessions at 1hr each, at a rate of $20 per hour, you will be charged $60 on the 1st March for the month. **This is an example only, and does not take into consideration payment processing fees, real hours trained, etc.**

Payment Processing Fees

Payment Processing Fees are fees paid to our payment provider, each time a transaction is made. The following fees apply to all payments through iClassPro, including for monthly billing payments:

- All Card Payments - $0.33
- Visa - 1.98%
- Mastercard - 1.98%

- Amex - 3.85%
- Bank Account - $.088

Other payment providers used by Pearl Coast Gymnastics Club will have their fees/surcharges listed at checkout.

In line with the Reserve Bank of Australia's decision, the above surcharges do not apply for payments made on or after 1st October.
